

Daisy Outdoor Art Maker Badge – Earn From Home Guide

Explore the outdoors and use what you see and hear to make different kinds of art projects.

1. See the colors of nature
2. Hear the sounds of nature
3. Share your outdoor art

After earning this badge, you will know how to look at nature like an artist and make your own outdoor art!

1. See the colors of nature
 - Make a colorful art project outdoors using paint, chalk, colored pencils and paper – you choose!
 - Play a game of matching the colors of the clothes you are wearing to colors you see in things outside. You get one point for each match that you can make
 - Brainstorm a list of animals that are very colorful (ex: clownfish, butterflies, peacocks)
2. Hear the sounds of nature
 - With a family member, go on an outdoor hunt to find as many different nature sounds as possible
 - How many can you identify? (frogs, rain, wind, leaves)
 - Think about what sounds of nature soothe us and why
3. Share your outdoor art
 - Make a [Leave No Trace](#) picture showing ways you can enjoy nature and still keep it safe.

After completing these steps, you are now able to go outside and view the world and nature like an artist!

This badge can be purchased on our website [here](#).
