

# School Break Bingo

Girl Scouts stick together even when we have to be apart!  
 Challenge your Girl Scout sisters to see who can complete the most,  
 or see if your troop can combine to complete all the tasks!

**Shout out to our Girl Scout sisters at GSCNC, Service Unit 7-11,  
 Calvert County Maryland for sharing their idea with us!**

B I N G O

Use a compass - what direction is it to your mailbox from your front door?	Make a friendship bracelet.	Have a picnic outside.	Read any non-fiction book or news article about a famous female.	Search summer camp themes on GSHPA's website and choose your favorite!
Learn to count to 10 in a new language.	Look at the moon tonight. What moon phase is it?	Write a note to tell a younger Girl Scout your favorite thing about Girl Scouts.	Hike a trail, or take any walk that is at least 1 mile long.	Do an Hour of Code activity with code.org.
Do 25 jumping jacks every day for three days straight.	Explore all the STEAM mobile programs and choose one you would like to do.	FREE SPACE (Make your own challenge)	Take a virtual tour of The Museum of the World.	Read any book about nature.
Draw a map of Pennsylvania. Mark the State Parks you want to visit.	Leave your room better than you found it!	Learn a new Girl Scout song.	Do something helpful for a parent, guardian or sibling.	Make your own bookmark.
Take a walk at night with a flashlight (and an adult).	Practice tying 2 different knots.	Choose one principal of Leave No Trace and practice it today!	Make a craft with recycled materials.	Explore your backyard until you find an insect. Can you identify it?
