

YOU CAN MAKE A DIFFERENCE!

Are you interested in growing personally, professionally, or fostering your own leadership development skills? Do you find mentorship rewarding?

Girls Scouts in the Heart of Pennsylvania (GSHPA) needs you!

GSHPA is the preeminent leadership organization serving 13,500 girls -- ages 5-17 -- in 30 counties throughout Central and Northeast PA. We help build girls of courage, confidence, and character. GSHPA encourages girls to discover themselves, connect with others, and take action to make the world a better place.

Specifically, our programs allow girls to choose age-appropriate, progressive learning opportunities in:

- ◆ Outdoor programming
- ◆ STEAM
- ◆ Entrepreneurship
- ◆ Life Skills

How can your leadership/volunteer skills help? We have some ideas. You can:

- ◆ Join a Board Committee
- ◆ Become a Troop Leader or Assistant Troop Leader
- ◆ Serve as an Outdoor Experience Volunteer
- ◆ Assist with our entrepreneur programs
- ◆ Share your expertise as a panelist on one of our quarterly Career Chats
- ◆ Serve on our GSHPA Board of Directors
