Sponsor Cookies Donated to Operation Gratitude

The Girl Scouts Cookie Program is the largest girl-led entrepreneurship and financial literacy program in the world and Girl Scouts in the Heart of Pennsylvania is committed to supporting this tradition. For the 2022 Girl Scout Cookie Season, girls will participate in both virtual and in-person sales. With your support, we will continue to assist girls to build business and career opportunities, expand their network and help them connect and serve their communities. You can help them achieve their goals by sponsoring boxes of donated cookies.
