

# Bug Bingo!

You don't have to go any further than your own backyard or local park to discover the wonders and joys of nature! However, to find these critters, you'll need a little bit of patience and investigation skills! Take your Bug Bingo card outside and see how many you can find. If you get four in a row – horizontal, vertical, or diagonal – you can declare yourself a bug sleuth and give yourself a pat on the back for spending some quality time outside!

When looking for bugs, please remember Leave No Trace Principle #6 – Respect Wildlife. Be sure to leave the bugs where you find them and take only pictures. Never move wildlife or take it home with you.

If you would like to find out more information about bugs, head over to [www.insectidentification.org](http://www.insectidentification.org) with a parent or trusted adult and discover the wonderful world of bugs!

This activity will help you complete Step 3 of the Brownie Bugs Badge!

B	U	G	S
Butterfly	Firefly	Pill Bug	Dragonfly
Grasshopper	Ladybug	Snail	Fly
Caterpillar	Spider	Bee	Earthworm
Beetle	Ant	Moth	Centipede
