

# BUILD-A-CAMP

## GIRL SCOUTS

### DIRECTIONS:

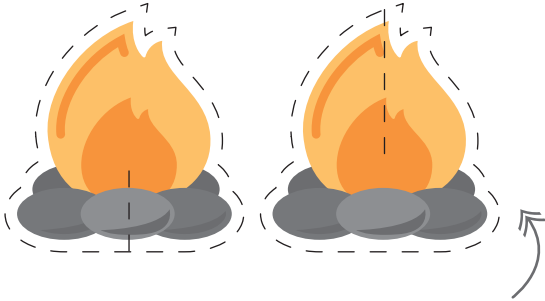

1. Customize each Girl Scout by coloring each one uniquely
2. Carefully cut around each Girl Scout/stand
3. Cut a slit on both gray lines on each stand
4. Cut out paper strip and place in between each slit
5. Adjust strip until Girl Scout balances on its own

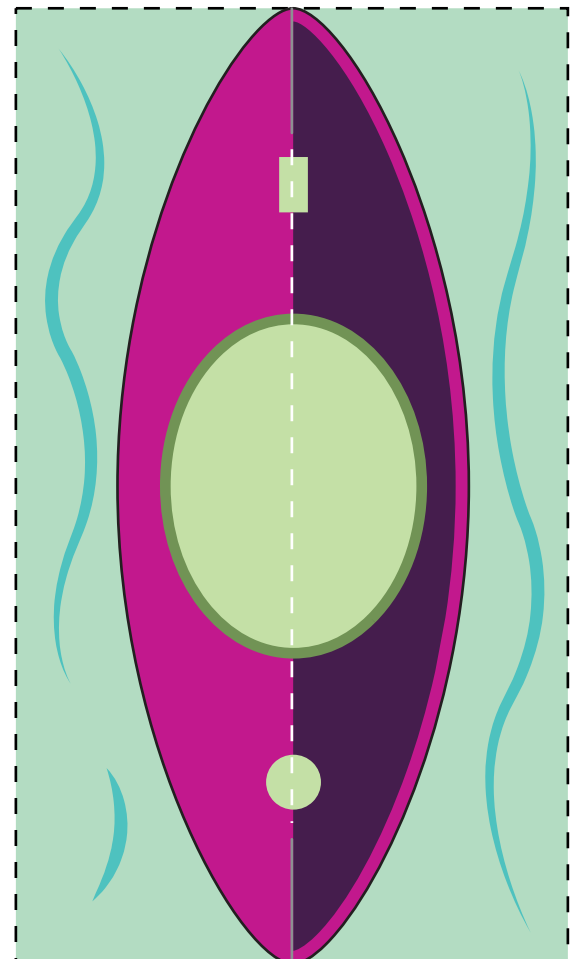

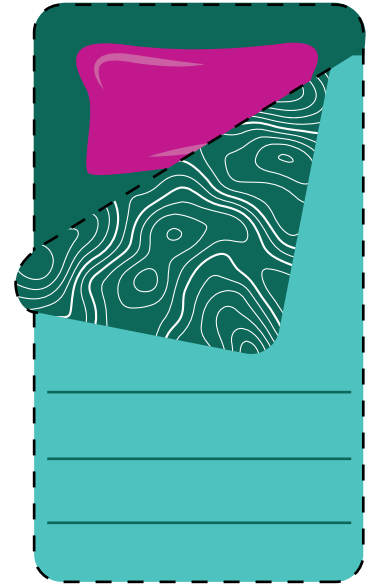

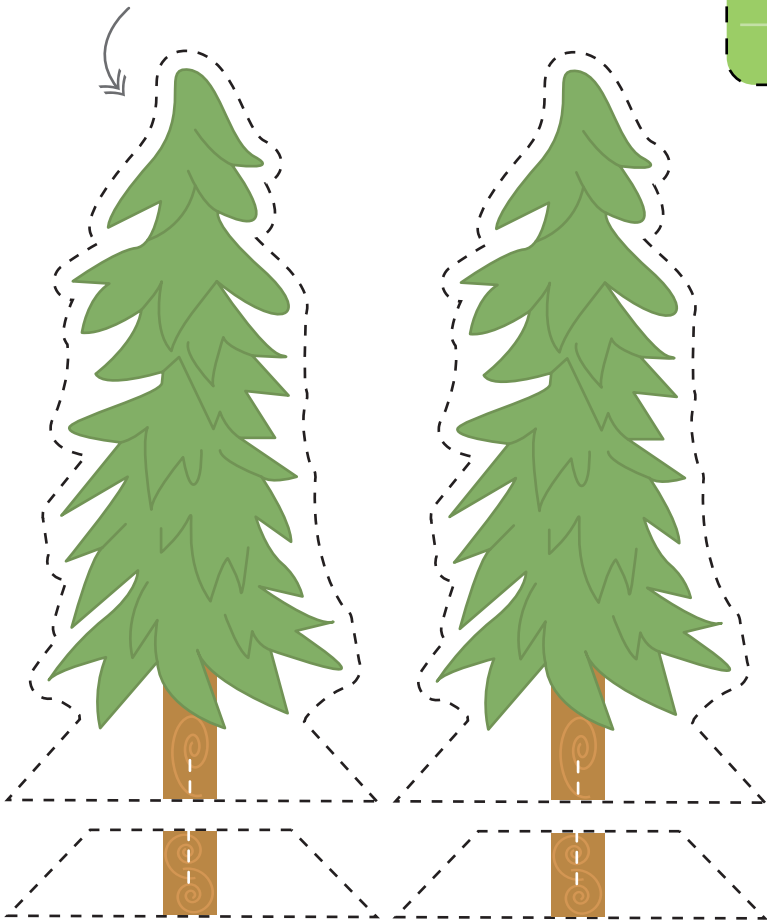

# CAMPING ACCESSORIES

**DIRECTIONS:** Carefully use scissors to cut out the pieces on dotted lines. Press and fold on solid gray lines.

Cut - - - -  
Fold \_\_\_\_\_

**NOTE:** For the fire and trees, cut slit on dotted line and fit both pieces together.

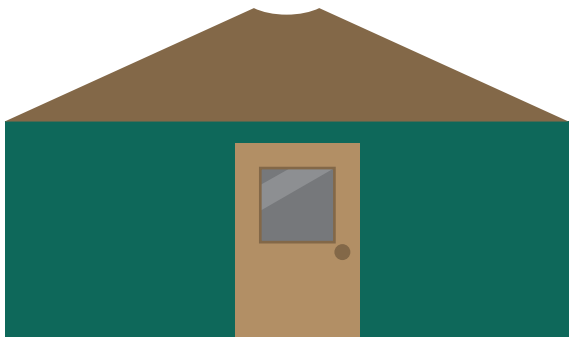

**NOTE:** For the kayak, use scissors or a craft knife to cut a slit on the white dotted line - this is so your Girl Scout can fit! Next, fold the kayak in half so it stands on its own. Your Girl Scout can now go kayaking on the lake!

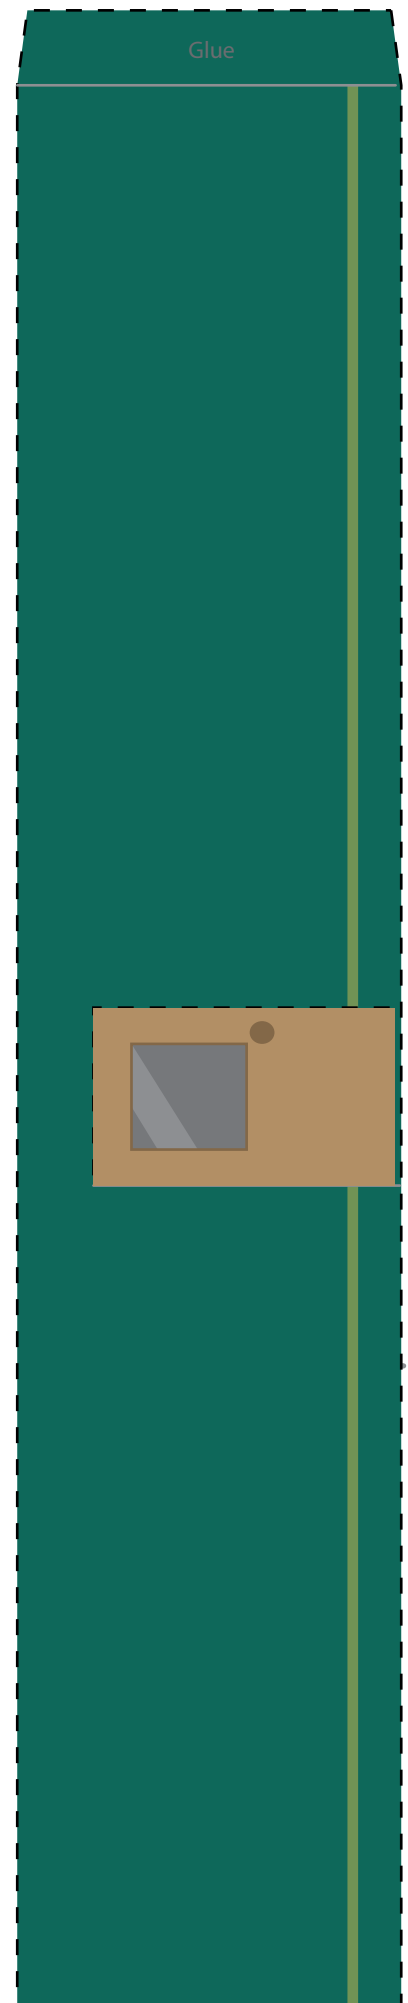

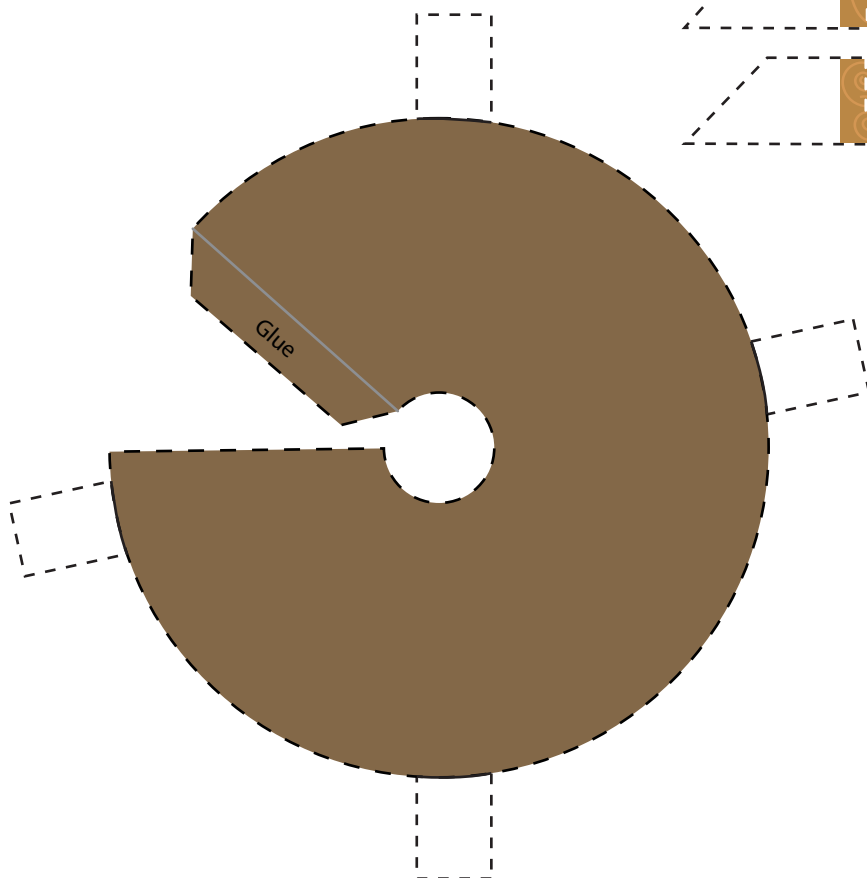

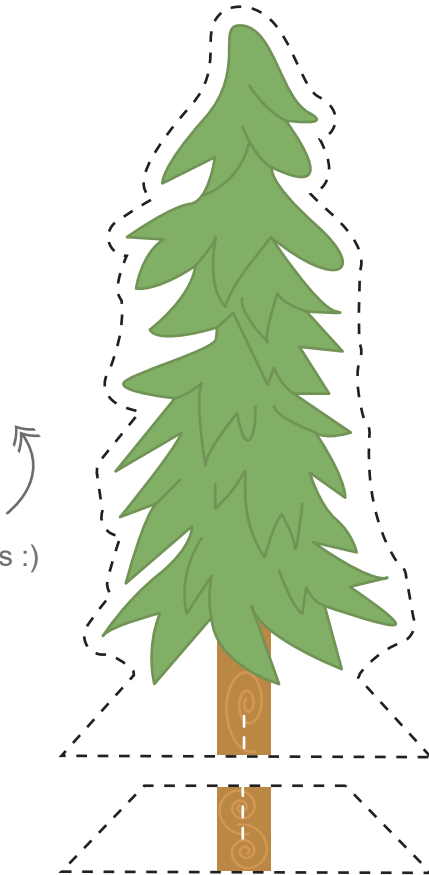

# YURT

**DIRECTIONS:** Carefully use scissors to cut out the pieces on dotted lines. Press and fold on solid gray lines.

Cut - - - -  
Fold \_\_\_\_\_

**NOTE:** Your finished yurt should look like this :)

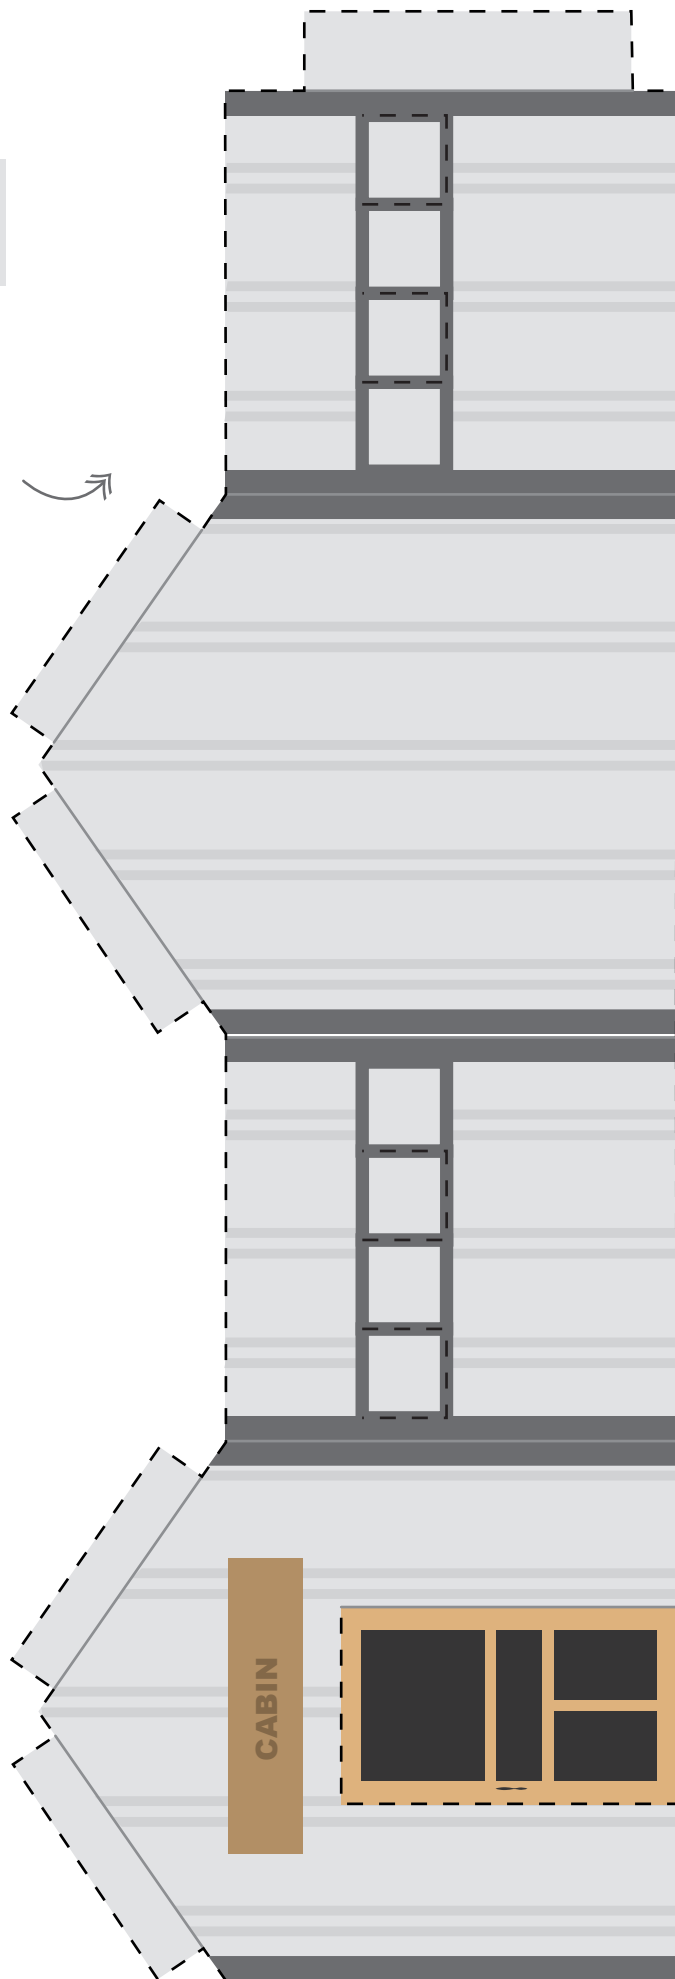

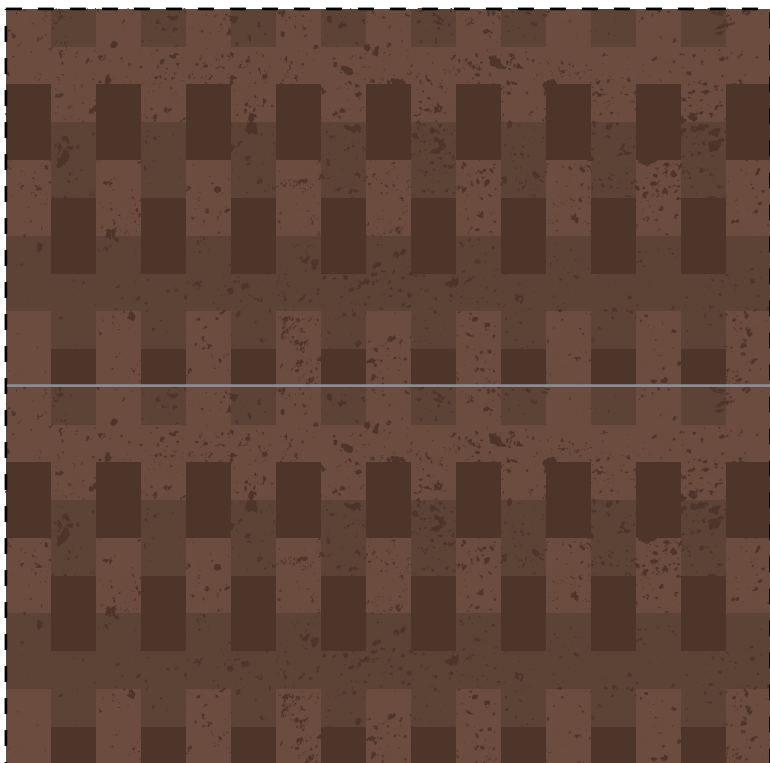

# CABIN

**DIRECTIONS:** Carefully use scissors to cut out the pieces on dotted lines. Press and fold on solid gray lines.

Cut - - - -  
Fold \_\_\_\_\_

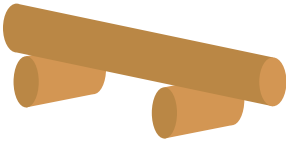

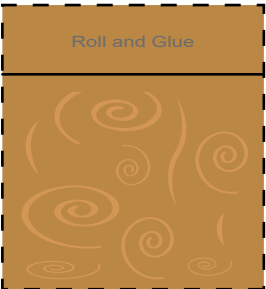

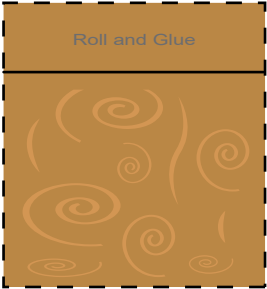

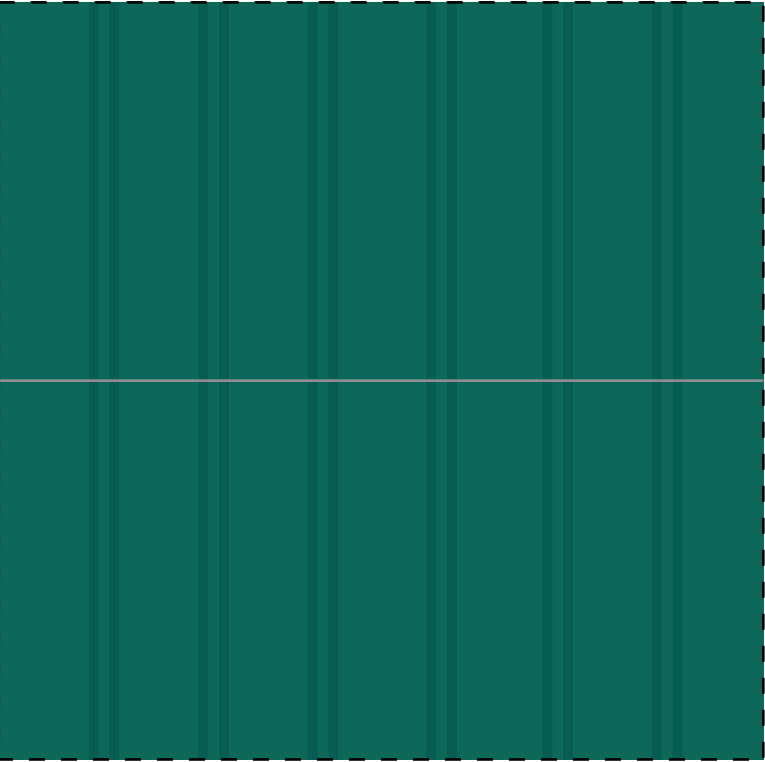

**NOTE: For Cabin,** use scissors or craft knife to cut on the dotted window lines so you can open the cabin windows

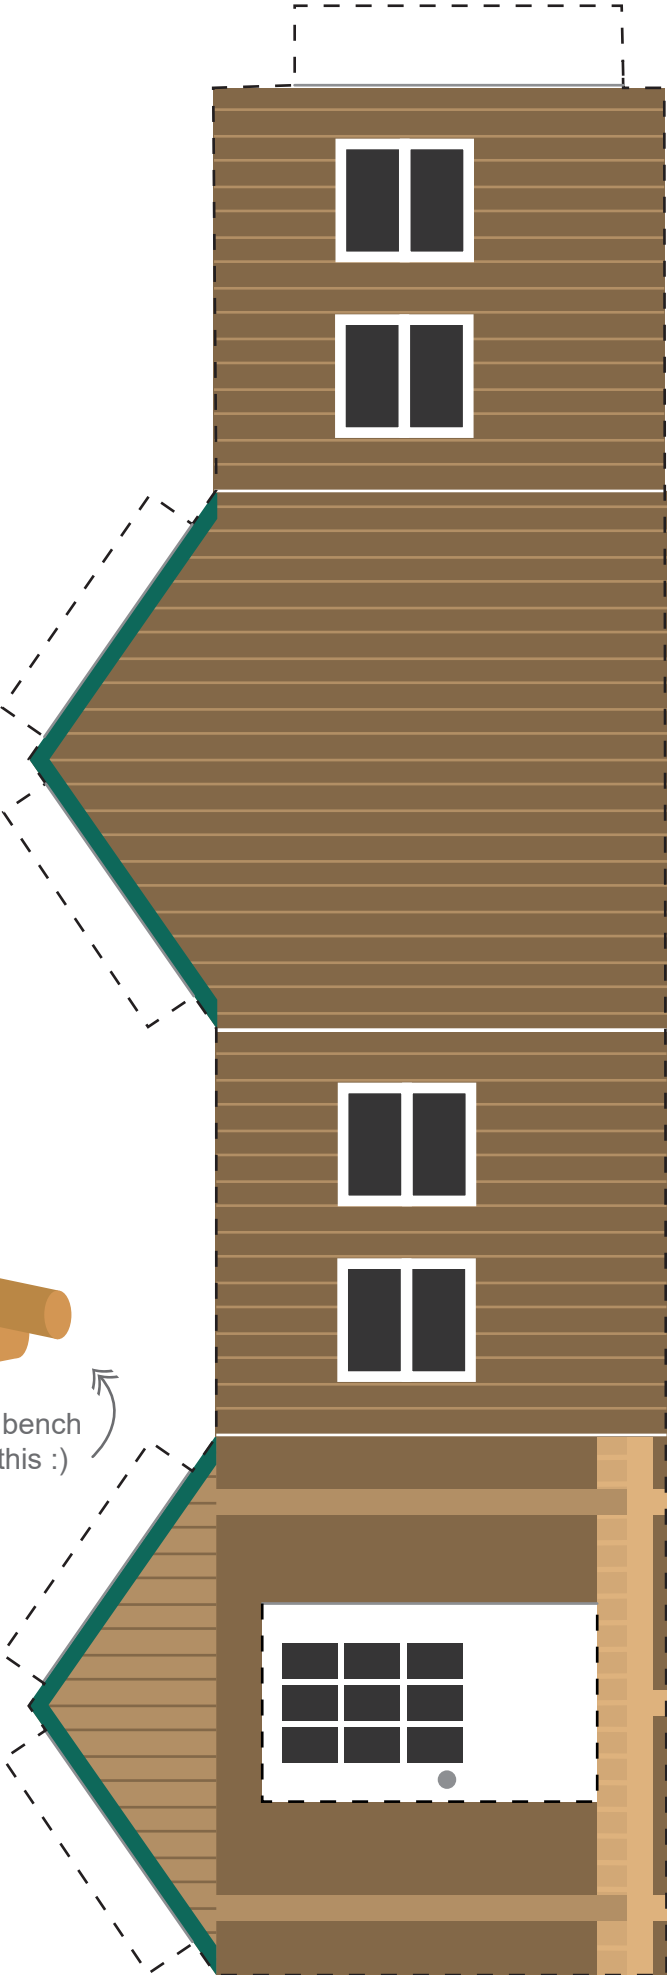

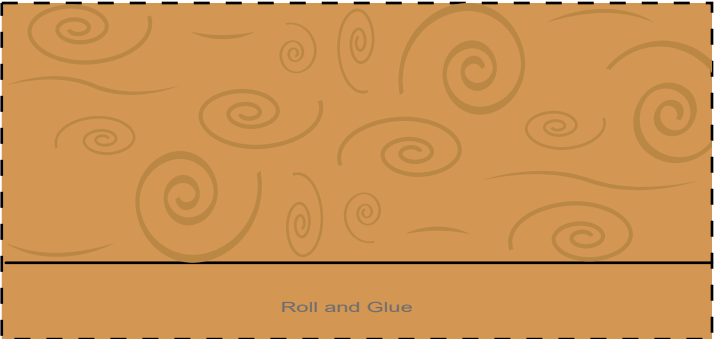

# CABIN # 2

**DIRECTIONS:** Carefully use scissors to cut out the pieces on dotted lines. Press and fold on solid gray lines.

Cut - - - -  
Fold \_\_\_\_\_

**NOTE:** Your log bench should look like this :)

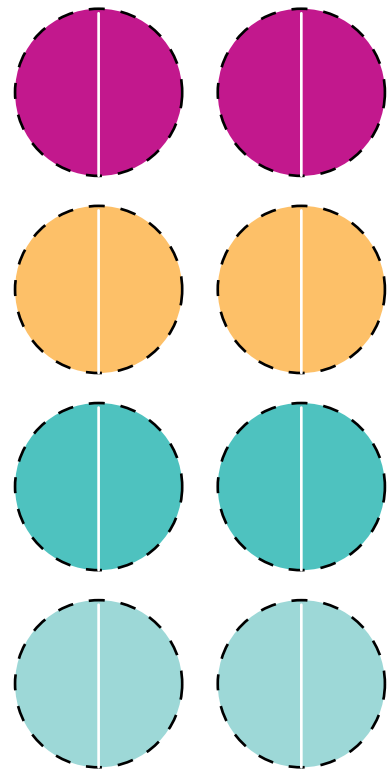

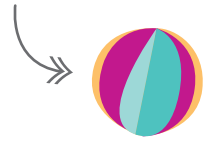

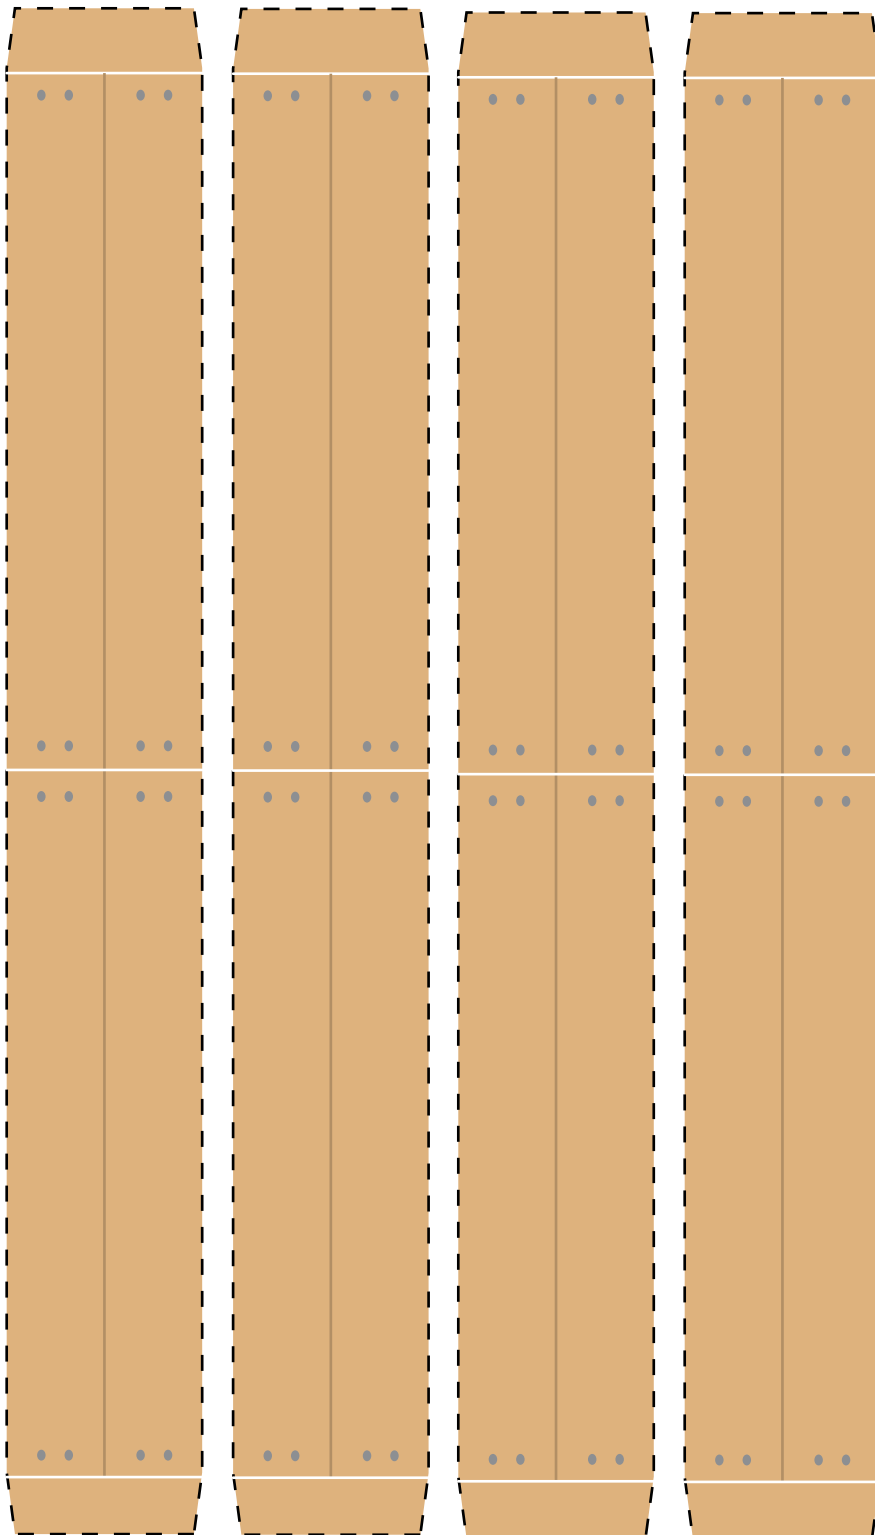

# GAGA PIT

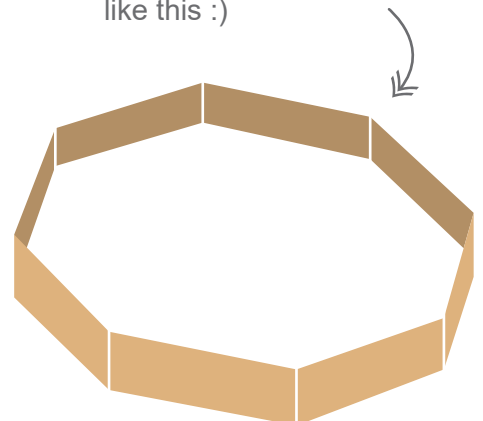

**DIRECTIONS:** Carefully use scissors to cut out the pieces on dotted lines. Press and fold on solid gray lines.

Cut - - - -  
Fold \_\_\_\_\_

**NOTE:** For the ball, glue half of each circle to the next. The circles together will form a ball.

**NOTE:** Your gaga pit should look like this :)

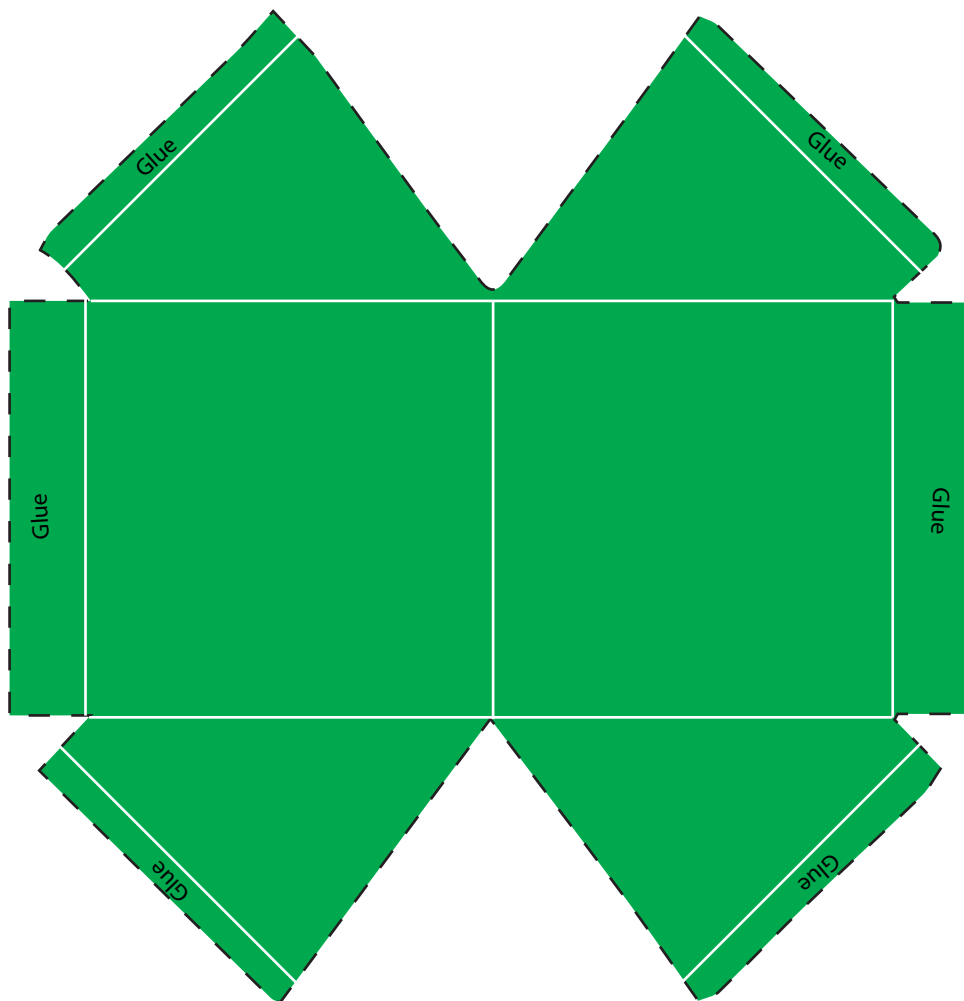

# TENT

**DIRECTIONS:** Carefully cut the green image, press and fold until you have a tent shape.  
Once you have shape, use the glue to keep the shape in place.

Cut - - - - -

Fold \_\_\_\_\_

**NOTE:** Hold the shape together until glue is dried.
