SCREWDRIVER; 10. CONCRETE

## Dream Design

---

### Instructions

It's your turn to be an architect! In the box above, design a floor-plan for a building of your choice. You could plan a museum, house, bank, store, gymnasium, school, library, airport, visitors center, restaurant or any other building you'd like!

## Home Safety Scavenger Hunt

---

Where are all the exit doors in your house?

Which rooms have fire extinguishers in them?

Where are all the smoke detectors?

How many windows do you have in your house?

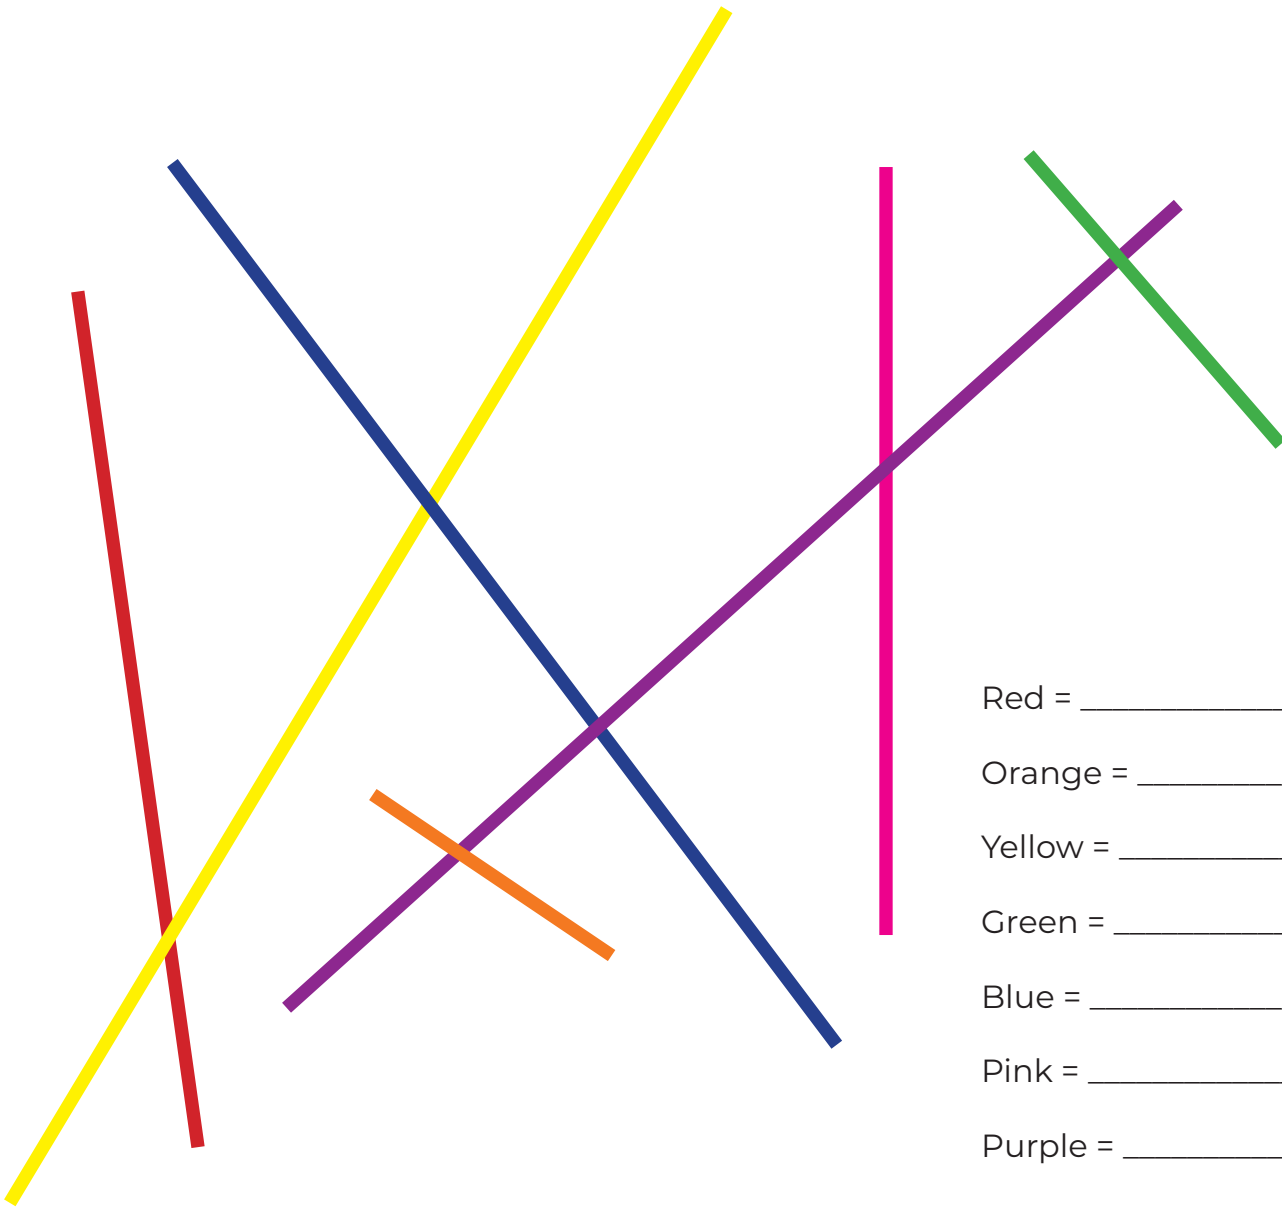

What are two ways to get out of each room?

## Measure it
