

Board of Directors Property Committee
Summary of January 9, 2019 Meeting

Camp Archbald

- A conservancy heard rumors of Camp Archbald being sold and has shown an interest in several capacities. A tour was recently conducted and GSHPA awaits a response from this group.
- On January 8, 2019, GSHPA and SoCA received the 98-page "Camp Archbald Structural Assessment of Select Buildings," prepared by Anthony C. Bernadi, PE. Property Committee members were encouraged to review the assessment. A more thorough review of this document will be done at the next meeting.
- Cabot Oil & Gas will be preparing and hosting a webinar for the property committee and Board of Directors to discuss future partnerships.

Camp Louise

- Review of an additional proposal from the Friends of Camp Louise and response was discussed.

Camp Furnace Hills

- By January 11, 2019 the realtor will reach out to all parties that have expressed interest in purchasing Camp Furnace Hills, including the Furnace Hills Camping Association. If there is no sales agreement in place by February 28, 2019, the property will go to public sale.

Miscellaneous

- Due to major security concerns, GSHPA will be conducting infrastructure upgrades to its Harrisburg office.
