

Your support makes an impact.

Your commitment to Girl Scouts ensures that every girl receives the same opportunity to participate in the Girl Scout Leadership Experience. We invite you to invest in our girls.

Since 1912, the mission of Girl Scouts has been to build girls of courage, confidence, and character, who make the world a better place. Girl Scouting has a strong, positive impact on girls, helping them develop into responsible, caring, and engaged adults. At Girl Scouts, they explore their strengths, take on new challenges, and can always be themselves, regardless of background or ability.

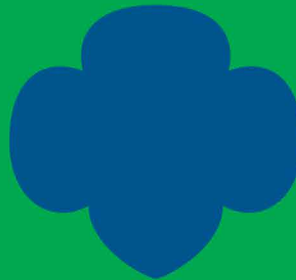

Supported by volunteers and mentors in our community, Girl Scouts lead the way as they discover who they are and how they can make a brighter future.
