## Parent Involvement Form

Purpose is for Girl Scout Troop Leaders to engage parents & caregivers on their expertise/experience and willingness to share that knowledge with their daughter's troop.

How to use the Parent Involvement Form:

1. Troop Leaders will present this form at the Parents meeting, which traditionally is the first Girl Scout meeting of the new membership year.
2. Parents/Caregivers will complete the form based on their own experience and availability.
3. Girls and Troop Leaders will establish the dates of events and/or badge work for the year.
4. Once the year is planned, the completed forms will be used by Troop Leaders to determine the ask of parents/caregivers for specific dates and times.

*\*\*Active volunteer roles (supervising girls) will require a Girl Scout membership and background checks.\*\**
