

## About Girl Scouts in the Heart of Pennsylvania

Behind every Girl Scout and volunteer is a team of local staff ready to help them earn that next badge, embark on a camping adventure, or organize an impactful service project. That's what Girl Scouts in the Heart of Pennsylvania is. We are here to maintain camp properties, provide local Girl Scouts skill-building opportunities, and assist our volunteers with resources to help girls achieve whatever they can dream up.

## Girl Scout Academic Edge

The Academic Edge program uses the foundations of the Girl Scout Leadership Experience to provide experiential learning opportunities for girls who otherwise may not have access to the Girl Scout Movement. We meet girls where they are, in schools or after care programs, to help girls learn to be leaders, problem solvers, and to work collaboratively. The program adapts based on girls' interests, and aligns with the Pennsylvania state academic standards for K-5 girls.
