

York County Summer Camp Scholarship!

Girl Scouts in the Heart of Pennsylvania is offering camp scholarships this summer for girls in York County!

Our camps spark confidence and joy in the girls who attend. We call it “**camp magic**”. When a girl leaves home and enters the world of a Girl Scouts summer camp, she grows by learning new skills and becomes stronger and happier by making new friends.

Girl Scouts offer traditional overnight, mini overnight, leadership training programs and family/troop focused camps called summer spectaculars.

Girls who apply up before April 30 will receive a free Camp Care Kit and the camp registration rewards!

The weekly camps start the last week of June and operate weekly until the first week of August.

Apply for the York Summer Camp scholarship by scanning the QR Code.
