BARK

Hello Girl Scout!

It's me, YOUR HONORARY CANINE TROOP MEMBER!  
I'm writing to share suggestions on how to sell  
Girl Scout-Themed BarkBox mini boxes. Please  
sell a lot of them, so all of my dog  
friends can get these amazing toys and treats!

## Simple Instructions

Write down the names of friends and family you'd like to invite to support your Girl Scout goals.

Write down a personal statement about your Girl Scout goals.

Make sure to explain how your family and friends' support will help you reach your goals. For example, if I were writing it, I would say something like, "My goals are to get lots of treats and squeaky toys for my friends and me. So, please support this goal by buying us treats and squeaky toys!" You can also draw a picture as a personal statement.

Create a sales messaging plan for each person you wrote down on your list.

This is how you're going to bark at — I mean talk to — your friends and family. Here's one way to ask: Would you like to support me reaching my goal by buying your dog a Girl Scout Themed Mini BarkBox?

## Now, Here Are Some Tools to Help You

Send a text to your family and friends with a photo or gif, and one of the sample messages.
