

GSHPA Cookie Booth Guidelines

- All cookie booths must be approved in Smart Cookies prior to your scheduled booth.
- Two unrelated adults and at least two Girl Scouts must be present for the duration of your cookie booth. At least one adult must be registered and background checked.
- Juliettes can host a cookie booth with their parent/caregiver.
- Girl Scouts must wear Girl Scout attire.
- Your troop number must be visible either on the Girl Scout Vest or displayed on your table. Juliettes should display something that indicates they are a Juliette or Individually Registered Girl Scout.
- Prices of cookies must be on display.
- Siblings and other non-Girl Scouts should not be in attendance.
- Gift of Caring should be promoted to increase sales.
- Be courteous and do not block ATM machines or doorways to businesses.
- Follow the proper adult-Girl Scout ratio.
- Nicotine products (including vaping and smokeless tobacco) are not permitted within view of the cookie booth or Girl Scouts.
- For sanitary reasons, food and beverage should not be consumed at the booth or stored near the cookies. Please step away from the booth to consume these products.
- Remember to use appropriate language at all times.
- Booth setup and breakdown should occur no more than five (5) minutes before the start or end of your scheduled booth time. Prepare for a quick turnover if another troop is scheduled after yours.
- Be sure to remove all garbage and empty cookies cases upon leaving.
