

Community Cookie Booths Needed

Did you know you can support today's young entrepreneurs by hosting Girl Scout Cookie booths?

Please help us advance the Girl Scout Mission to build girls of courage, confidence and character who make the world a better place. Girl Scouts are in every community **across Northeast and Central Pennsylvania**, from every background and in every economic circumstance.

You may have heard about our iconic Girl Scout Cookie Program; however, you may not know it is the largest girl-run entrepreneurial program in the world. 100% of proceeds earned by the girls stay local, powering girl leadership experience.

How Can Your Business Support Our Cookie Entrepreneurs?

Your business can support our girls by allowing Girl Scouts to host cookie booths in front/inside your business. Our booths are from March 8 - April 14, 2024.

Hosting a Cookie Booth is Easy!

- Determine if the booth location will be inside or outside your location.
- Determine the best dates based on the store's availability.
- Fill out [this form](#).

Cookie booths can also increase retail traffic to your location! Once you submit your business as a cookie booth partner, your business will be added to the Girl Scouts of the USA national Find Cookies link at [girlscouts.org](https://www.girlscouts.org). Last year over 8.4M cookie booth lookups happened on the national site, and this year your location could be included when a cookie customer is searching for a cookie booth.

By partnering with Girl Scouts in the Heart of Pennsylvania, you would allow us to schedule troops and girls to set up their cookie booths at your location. But more importantly, you are investing in the next generation of female entrepreneurs and helping them reach their dreams.

The Cookie Program's Five Core Skills

The Girl Scout Cookie Program allows girls to experience entrepreneurship by running their own cookie "business." Girl Scouts learn to think like entrepreneurs, practice a variety of skills and build on them year after year.

Goal Setting: Girl Scouts learn how to set goals and create a plan to reach them.

Decision Making: Girl Scouts learn to make decisions on their own and as a team.

Money Management: Girl Scouts learn to create a budget and handle money.

People Skills: Girl Scouts find their voice and build confidence through customer interaction.

Business Ethics: Girl Scouts learn to act ethically, both in business and in life.
